Re: Updated Surety – Five Year Escalation, Teck Cominco American Incorporated,
Apex Mine, M/053/004, Washington County, Utah

Dear Ms. Suda:

Thank you for providing the updated page 2 of the Reclamation Contract and the surety bond rider showing the increase from \$48,200 to \$57,300. The surety is now updated and escalated to year 2007. Please note that we crossed out the escalation year on page 2 of the Reclamation Contract to show the escalation year is now 2007 rather than year 2002.

Thank you for your help in finalizing this latest permitting action. We have enclosed a copy of the entire Reclamation Contract and Surety Bond with Riders #1 & #2 attached for your records. If you have any questions, please contact me at (801) 538-5382.

Sincerely,

Doug Jensen
Senior Reclamation Specialist
